SUPERVISORS HOLD REGULAR MEETING

MEMBERS ARE UNANIMOUS IN PROVIDING FOR ALL NEEDED IMPROVEMENTS.

Budget Indicates Funds to Construct a Scenic Mountain Road in Second District.

The board of supervisors met in regular session Monday, September 6, there being present Joseph M. Francis, presiding, Jas. T. Casey, Wm. H. Brown, John MacBain and C. V. Thompson. The purpose of the meeting was to fix the tax rate for the fiscal year, 1915-1916.

A communication also from the above board fixing the date for levying the tax rate on Monday, September 6th, was filed.

A communication from the State Controller's Department, relative to interest due from the county under the State Highway's Acts of March 22, 1902, and March 10, 1911, amounting to \$17,271.66, was ordered filed.

Supervisor Brown introduced a resolution fixing the tax rate for 1915-1916 at \$1.96, divided as follows:

General fund 60
School fund 30
Salary fund 23
Indigent082
Court house bond and interest007
Courthouse furnishings bond and interest001

Road (regular) 40
County highway bond and interest 22
High school maintenance007
Total 1.96

On roll call, the resolution failed of adoption by the following vote: For, Brown and Thompson; against, Casey, MacBain and Francis.

On motion of MacBain, seconded by Casey, it was ordered that the auditor's estimate of .30 for the general running expenses of the county be allowed to stand. All voted "yes."

On motion of MacBain, seconded by Casey, it was ordered that the auditor's estimate of the amount needed for all funds excepting road special be allowed to stand; all members voting "yes."

It was moved by MacBain, seconded by Casey, that the rate for the special road fund be fixed at 10 cents. An amendment to the above motion by Brown fixing the rate at 20 cents was defeated upon roll call with the following vote: For, Brown and Thompson; against, Casey, MacBain and Francis, and the original motion afterwards carried by Casey, MacBain and Francis voting "yes" and Brown and Thompson "no."

On motion of Brown, seconded by Thompson, it was ordered that a special tax of 19 cents be levied for the construction of the road from Halfmoon Bay to Crystal Springs Lake, all voting "yes" excepting MacBain.

A motion by Thompson, seconded by Brown that a rate of 21 cents be levied for the building of the San Gregorio to Pescadero road was defeated upon roll call with the following vote: "Yes," Brown and Thompson; "no," Casey, MacBain and Francis.

On motion of Casey, seconded by MacBain, it was ordered that a special tax rate of 2 cents be levied for the building of a guard fence over San Pedro mountains. On roll call Brown and Thompson voted "no."

A special tax of 2 cents was levied, upon motion of Thompson, seconded by Brown, for oil surfacing the road from San Gregorio to Tunitas, all voting "yes."

On motion of Thompson, seconded by Brown, it was ordered that a special tax of 12 cents be levied to build a road from San Gregorio to Pescadero, all voting "yes."

A special tax of 1 cent was ordered levied for the establishment of a county library, upon motion of Brown, seconded by Casey, all voting "yes."

On motion of MacBain, seconded by Casey, a special tax of 4 cents was ordered levied for a fund to start the work on the new county jail, all voting "yes."

A motion by Thompson, seconded by Brown, for the levying of a special tax of 5 1/2 cents for the surfacing of the road from Gazos creek to the county line was lost on roll call, by the following vote. For, Brown and Thompson; against, Casey MacBain and Francis.

D. A. Bromfield addressed the board in reference to securing the right-of-way for the proposed new summit road to connect the Halfmoon Bay road with the Woodside-Tunitas road near King's Mountain. Mr. Bromfield earnestly urged that action be taken providing for the construction of the above road.

On motion of Brown, seconded by Thompson, it was ordered that a special tax of 2 1/2 cents be levied for the construction of a portion of the above road. All voted "yes."

On motion of MacBain, seconded by Brown, a special tax of 4 1/2 cents was ordered levied for the purpose of raising funds to take care of deficiencies in bond issues and also to provide for the right-of-way for the State highway from Beresford to Redwood, all voting "yes."

The following resolution establishing the tax rate was introduced on motion of MacBain, seconded by Brown and was adopted on roll call, by the following vote: For—Casey, MacBain and Francis—against, Brown and Thompson:

Resolved, that by virtue of the authority vested in the Board of Supervisors by and under the provisions of Section 2714, Chapter V, Article 20 of Part 3, of the Political Code as amended:

It is hereby ordered that the rates of taxes levied by the Board of Supervisors of the County of San Mateo, State of California, for the fiscal year 1915,

The board of supervisors met again on Tuesday, September 7th, in regular session, there being present Joseph M. Francis, presiding, Jas. T. Casey, Wm. H. Brown, John MacBain and C. V. Thompson.

A. E. Loder, superintendent of the State Highway Commission for the Fourth Division, appeared before the board in reference to the Redwood City-Beresford right-of-way and explained that conditions were in good shape for the beginning of the work and that the contracts would be let within several weeks. The cause of the delay, as stated by Mr. Loder, was on account of the trouble in securing the necessary funds for covering the different contracts. In reference to the above, District Attorney Swart explained that owing to changes made in the right-of-way on the Spring Valley Water Company property it had been found necessary to start over some of the condemnation suits.

R. F. Chilcott read a communication from the Spring Valley Water Co. relative to the right-of-way for State Highway through the pumping plant property at Belmont and which have involved certain conditions under which the right-of-way was granted. The communication was ordered filed.

District Attorney Swart presented a deed from Joseph F. Kerr and Margaret E. Kerr for the sale to the county of three lots on Webster street for jail site purposes, together with a claim of \$16,500 in payment thereof.

On motion of MacBain, seconded by Casey, the deed was accepted and ordered recorded and the claim was ordered paid.

The following persons having complied with the county ordinance and furnished the required bonds were granted liquor licenses:

First township—A. Stampononi, Colma; Lorenzo Guidoni, Pedro Valley; E. H. Donovan, Tobin.
Second township—Oscar Curtin, San Mateo.

Third township—Carlo De Lucca, Halfmoon; L. Pau, Halfmoon Bay; Edward Rider, Halfmoon Bay; Henry Levy, Halfmoon Bay.
Fifth township—Antone Bennett, Pescadero; Mesquite & Silva, San Gregorio.

Second township—Fred Adams and Charles S. Bacon, Belmont (class C).
The following applications will be acted upon a month hence:

First township—J. Mangini, Millbrae; Charles H. Long, Vistacion.
Second township—A. F. Luderhann, Belmont.

Third township—Bruno Benndorf, Woodside; Harry E. Hallett, Portola.
Fourth township—Peter Giannini, Halfmoon Bay; Wm. Debenedetti, Halfmoon Bay; Louis Paulson, Tunitas Glen.

The applications of James Addington, South San Francisco, U. Masegli, Montara and A. R. Wagner, Montara, for licenses to peddle fruit and vegetables, were granted, on motion of Brown, seconded by Casey.

The application of H. A. Kendall of Mountain View for a similar license was rejected on motion of MacBain, seconded by Casey.

The following bids were opened for the macadamizing of the road from Farallone City to Martins:

M. B. Wiggins \$2,552.25
James Willison \$5,404.29
Barrett & Hilp \$2,446.77

On motion of MacBain, seconded by Casey, the contract was awarded to James Willison, he being the lowest bidder.

The following bids were opened for the macadamizing of the road from Moss Beach to Montara:

James Willison \$5,404.29
Barrett & Hilp \$6,577.61

On account of there not being sufficient funds available in the Fourth district, it was ordered on motion of Casey, seconded by MacBain, that the bids be rejected.

San Rafael Elks Visit San Mateo
The San Mateo Lodge of Elks are making big plans for quite a celebration on Sunday the 19th of September as on that day San Rafael Lodge is coming down to play a game of baseball with the local lodge and are expected to bring a large delegation to boost their team along. To that end also, San Mateo Lodge wishes that every member that possibly can do so, be on hand on that day so as to give a boost to the home team, and assist in entertaining San Rafael lodge, who have on several occasions royally entertained us. Also don't forget that the annual "Oyster Bust" for which San Mateo Lodge is justly celebrated, will be held on the 26th, and while previous busts have been good, this one promises to excel all others. Don't forget the dates and be sure to be on hand.

SEQUOIA HIGH TO HAVE A FOOT BALL TEAM

School the Best in Many Years in All Lines of Athletics

Sequoia High School entered into a new athletic field of endeavor when a football team was organized on September 9th. Heretofore the only athletics indulged in were basketball and tennis. This year however owing to a large enrollment and owing to the size of the students football was taken up. L. E. Adams, the new science instructor has taken up the coaching end of the work and from his experience as football coach of St. Matthews Military Academy will undoubtedly be a big factor in the showing of the team.

It is rarely that such enthusiasm has been shown and from present indications Sequoia will have a banner year in athletics. With Woods, Locker, Thompson and others as a nucleus for the football team a formidable aggregation will be built up. In basketball Locker, Pitcher, Thompson Seely and Woods as old material for a fast team is very apparent. In tennis the two Seelys, Stevens and Pitcher will show up strong. Several tournaments will be run off ending with the P. A. A. and State Interscholastic tournaments in the spring. A good showing in all these tournaments is expected.

In girls athletics basketball will be taken up and a formidable team will be put on the field which will be in the running for the championship of the Sub-League. Tennis will bring out many and from the present outlook should sweep all comers away in every tournament with Misses Read, Lamb and Jacobsen entered.

On the whole the athletic talent of the school is the best in many years and a prosperous and victorious season is assured.

LOCAL BASE BALL TEAM WINS FROM S. F. TAILORS

Chase Pitches Great Ball And Is Given Splendid Support

The local baseball team kept up its good work last Sunday when it defeated the crack Weiner Tailor team of San Francisco by a score of 4 to 1.

Chase was in first class form and allowed the opposition but four scattered hits. The team behind him played big league ball all through the game. Hitting when hits meant runs was responsible for Redwood's victory. All of the local's runs came in the second inning on an error, a hit batsman and four singles scored four tallies. The Weiners were held helpless up to the eighth when one tally came in due to the inability of Catcher Casey to make a good throw on account of a hurt leg. In the third inning, Casey in sliding to second base caught his spikes in the iron stake which holds the bag in place and turned his ankle. Though painful, Tom kept up his great work behind the plate and in making a throw to third baseman Winter to catch a runner, threw low because of his inability to take the step necessary for a perfect peg. The runner scored on his throw.

Jennings on first accepted 16 chances without an error. Payne played a good game at short accepting six chances perfectly. Chase finished the game with five assists and eight strikeouts to his credit.

Barring the batting rally of the locals in the second, Reeves for the visitors pitched good ball. It was a close and fast game throughout and kept the crowd on its toes rooting all the time. A few times the Weiners threatened to score but Chase's masterly pitching and the fast work behind him prevented scores.

Tomorrow the locals play the Barney Frankels another fast team and fans can figure on a whirlwind exhibition. The local manager, Ray Griffin, has a fast fielding and good hitting combination providing entertainment and a bunch of fellows who will fight until the last man is out. Although the members of the team are not complaining, a little more support and encouragement on the part of certain parties here in town would help quite a bit. The local team is trying hard all the time and only the best teams to be had are being brought to play. Redwood City is getting a large amount of free advertising by these young fellows. Nothing boosts a town better than a good team and we have one fit to represent any town on the map. All that is asked for in return is the support of the local people. These young fellows do not have to play ball on Sunday. They could spend their time in some other way probably more satisfactory but they are playing ball purely for the sport and local fans can thank their lucky stars that they have such a good outfit. Show your civic pride by supporting your team the members of which are at all times giving their best and providing a first class afternoon's pleasure.

Tennis Tournament on Saturday
The tournament to decide the Redwood City tennis championship will begin today on the local courts. Twenty-two players are entered and with the interest already shown the 1915 tourney bids fair to surpass all of the ones of previous years. The committee met Tuesday evening and arranged the handicaps which put every player on an equal basis. The winner will receive the Hull cup and the title for 1915. The cup was presented by Hull Brothers and is now held by George P. Seely, the 1914 champion.

TRAFFIC ORDINANCE BEING CONSIDERED

Street Work Outlined in Many Parts. Ford for Street Superintendent

The Board of Town Trustees met in regular session Tuesday evening with all members present. Considerable time was devoted to a discussion of contemplated street work.

The City Street Improvement Company was granted permission to grade the roadway and construct a re-inforced concrete base with bituminous surface on Bradford street between Main and Washington streets. The work includes the intersection of Main and Bradford streets.

An ordinance was adopted providing for revenue from taxation for the coming year. The total amount necessary to defray the expense of city government will be \$33,134.57.

An ordinance introduced by Trustee Tuchen regulating traffic upon the streets of the city was adopted. This ordinance is intended to prevent unnecessary injury to the City's streets. Among other things it provides for the width of tires for certain loads.

The matter of a storm sewer on Broadway from Main street to the bridge and from Washington street to the bridge came up for consideration. A smooth, open gutter with all the grade possible was preferred. The matter was referred to Superintendent of Streets Dickey.

The city engineer was instructed to prepare plans and specifications for street work on Brewster avenue from the county road to Arguello street, excepting the Southern Pacific right-of-way. The work is to include grading and oiling, water bound macadamizing.

Plans and specifications were ordered for the construction of sidewalks, curbs and gutters on the county road near Main street and also on Whipple avenue.

The Board has under consideration the improvement of the following streets with topsoil dressing: the entire length of Arguello street, Broadway from the railroad right-of-way to the county road, Washington street from Bradford to Jefferson streets and Jefferson street.

A plan of handling the overflow storm water from the Kayser and Kenfield properties, which now comes down Grand avenue met with favorable comment. It will be necessary to provide a ditch 1600 feet long to carry the water back to the main channel.

A sum of money, not to exceed \$250 was provided to assist Z. T. Thorne in clearing the ditch through the Fee property.

J. J. Sears presented plans and specifications for a combination auto truck chemical engine and fire apparatus and also extended an invitation to the Board to inspect some apparatus being built for the San Francisco fire department. The Board will probably go in a body to the city to inspect fire apparatus.

The extension of the municipal water system on Roosevelt avenue was discussed at some length. Also extensions on Fulton and Whipple streets. Taking advantage of a lowering market the Board advertised for bids for two car-loads of pipe.

A Ford truck body runabout was ordered for the use of Superintendent of Streets Dickey.

The matter of a jitney tax was referred to Attorney Mansfield.

Several matters regarding street work near the Southern Pacific property was left in the hands of Trustee Tuchen to confer with the company's officials and report at the next meeting.

The Board adjourned to meet again on Monday evening, September 20th.

MRS. ROSANNA HULL AT REST IN ST. JOHN'S CEMETERY

Highly Esteemed Pioneer Woman Passes Away at Summer Home

St. Matthew's Catholic church at San Mateo was crowded last Wednesday morning with sorrowing relatives and friends to participate in the solemn funeral services over the remains of Mrs. Rosanna Hull, a pioneer lady of this county. The mass was celebrated by Father Callaghan. He was assisted in the solemn services by Father J. J. Sullivan. A selected choir from San Francisco sang the mass in an inspiring manner. Father Callaghan delivered a brief but eloquent address during which he extolled the many virtues of the deceased woman and recounted her numerous acts of charity and good deeds and told of her fervent Christian zeal and strong religious belief. After the services the remains were borne to St. John's cemetery and placed along side the remains of her son and husband who preceded her to the grave some years before. The following pall bearers were all old time friends: P. F. Chamberlain, John Casey, George C. Ross, John Curran, Sherman Blake and Will Chipman. The large number of beautiful floral tributes attested the high esteem in which the deceased was held in the community in which she lived so long.

Mrs. Hull passed away surrounded by her children in her attractive summer home at Brookdale in the Santa Cruz mountains early Monday morning after a short illness. It was her custom to spend the summer months at this delightful place, there she enjoyed nature in all its glory and there she peacefully closed her weary eyes amidst those most beautiful surroundings. Mrs. Mammie Shields, Asa Hull and Guy P. Hull are left to mourn the departure of a mother they loved so well.

Mrs. Hull was born in Quincy, Massachusetts in 1837 and as a bride came to San Mateo county settling on the Johnson ranch at Menlo Park in 1853. Some years later the young couple moved to San Carlos where Mr. Hull engaged in the manufacture of brick. The brick used in the construction of all the old buildings of the county were secured from the Hull kiln. After 50 years of happy companionship Mrs. Hull's husband bade her for a while farewell and lay down in the dreamless slumber of the grave about seven years ago. Since then she has been awaiting with Christian patience the summons to join him in the better land. She did not dread the mystery of death. She was prepared for the journey, calmly awaiting the summons she kissed her children farewell and with the words "I am passing away" on her lips she peacefully passed away. Mrs. Hull will long be remembered for her kindness, ready sympathy and unostentatious charity. Although she cared little for society and rarely mingled in large gatherings she drew about her a circle of friends who were always sure of her good cheer and kindly words of encouragement and sympathy. The family has the sympathy of the entire county in its sad bereavement.

Many New Homes to Be Built
Realty operators in this section of the peninsula, basing their estimates on existing conditions, predict that within the next year there will be more homes built in this locality than at any time in the history of San Mateo county. It is claimed that the records of all the local offices show that there have been more Sunday visitors to Redwood City and the lower section of San Mateo county in the last three months than in nine months preceding and that there has been as a result a big demand for homes.

New Actions In the Superior Court

Mary Grace De Gear and James A. DeGear have brought an action in the superior court against George McLellan and Mary Belle McLellan to recover the sum of \$1500 for the sale of certain personal property owned jointly by the parties to the suit. The complaint alleges that the parties owned a number of horses, cows, lumber, hay, etc., valued at \$4500, that the defendants secured possession of the property on April 1914 and converted it to their own use and benefit without consulting plaintiffs, who now sue for their one third interest in the property. J. J. Bullock is the attorney for the plaintiff.

Hulda A. Scott has brought an action in the superior court against her husband, Walter L. Scott, for an interlocutory decree of divorce on the grounds of desertion. The couple was married at Klamath Falls, Oregon, on December 31, 1899. There are two minor children, Walter L. Scott, Jr., aged 11 and Starr Scott, aged 7 years. The community property consists of the home at Burlingame and household furniture. A house and two lots were deeded to the plaintiff some time ago which was also community property. The realty is heavily mortgaged so that the equity of the plaintiff in the property is very small.

Lillian Haddock has brought an action in the superior court for an interlocutory decree of divorce against her husband, William E. Haddock, on the ground of desertion and habitual intemperance. The Hadducks were married at Paris, Riverside county, on October 24, 1905. There is no community property and only one minor child, Ada Haddock, aged 6 years, as a result of the marriage. Mrs. Haddock asks for the custody of the little girl. The Hadducks reside at San Mateo.

New Probate Applications

Antonio S. Goularte of Woodside has filed the last will and testament of his brother, Frank S. Goularte, who died at Pescadero on August 4, 1915. The estate consists of money loaned amounting to \$4,000 and personal property consisting of horses, cows, calves, hay press, etc., valued at \$500. The real estate consists of 9 acres of land and a dwelling near Pescadero.

INTERESTING INFORMATION CULLED FROM GAME LAWS

Many Changes in Rules Governing Taking of Game and Fish

The new fish and game laws which involve a complete redistricting of the state for hunting and fishing purposes and which change and curtail many of the open seasons, are now in effect. Old districts Nos. 2, 4, and 5 are now contained in new districts Nos. 2 and 3 embracing the counties of Lake, Napa and portions of Mendocino, Sonoma, Marin, Solano, Yolo, Glenn and Colusa.

New district No. 3 consists of portions of Contra Costa, Alameda, San Francisco, San Mateo, Santa Clara, Santa Cruz, Monterey, San Luis Obispo, Kern, Fresno, Merced, Stanislaus and San Benito counties.

Two weeks have been lopped off the deer season in new district No. 1. It now extends from August 15 to October 15. Formerly it was from August 15 to November 1.

In new districts Nos. 2 and 3 similar curtailments of the deer season has been made. Formerly July 1 to August 31, it now extends from August 1 to September 15.

There is no change in the tree squirrel season, but the quail season has been shortened a month and a half. It now extends from October 1 to December 31, while the old season was from October 15 to February 15.

The dove season has been lengthened and made uniform throughout the state. It now extends from September 1 to November 1.

In new districts Nos 1 and 4 the trout season is from June 1 to November 30, and in districts Nos. 2 and 3, from May 1 to November 30.

The state law governing the shooting of water fowl and shore birds, including ducks, geese, brant, mudhens, snipe and pluper, has been made identical with the federal law, and the open season now extends from October 15 to January 31. The old season was from October 15th to February 15th, and prior to last year extended to March 15th.

The shortening of the duck season last year resulted in a very noticeable increase in the number of ducks which nested in all parts of California. It is believed the decreased menace from the hunters during the nesting season will bring about more nesting this year and that the number of ducks in the state will inevitably be increased.

In addition to the four main districts, which are chiefly game districts, there are twenty-six fishing districts, which include the commercial fishing areas along the coast and in the various rivers and bays. Lake Tahoe is a special district, and so are various national parks in the forest reserves of the state.

Teachers Institute at South City

Superintendent of Schools Roy W. Cloud has arranged with the railroad company to give a return rate of one-third for all attending the teachers' institute at South San Francisco. The going tickets may be purchased from September 23 to 29 and the reduced rate is good until October 2. A very pleasant feature of the institute will be a luncheon served to the teachers and trustees by the Western Meat Company on September 27. The luncheon will be composed of products of the Western Meat Company and will be served in their own dining room.
